

Pardon our dust while we connect the trails...

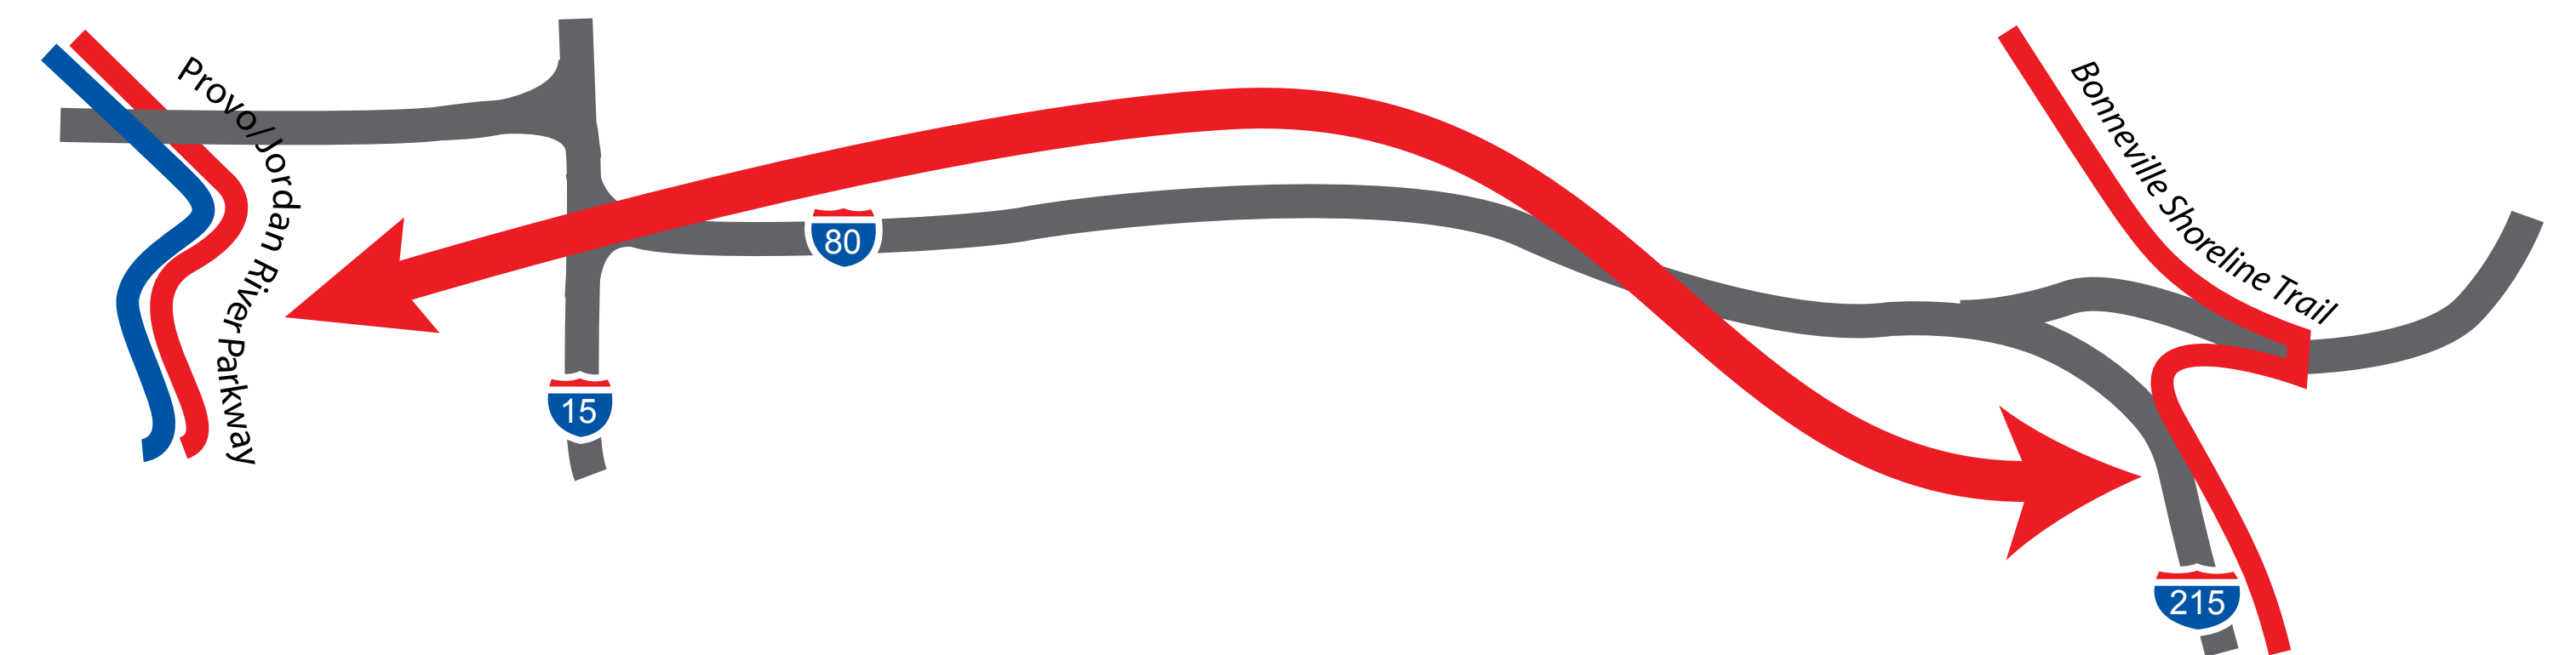

Pavement ends 2,000 Feet west of bridge

Travel with care

Future Connection to Provo/Jordan River Parkway

The overall vision for Parley's Trail is to connect Bonneville Shoreline Trail to Provo/Jordan River Parkway. Visit www.parleystail.org to view the Parley's Trail Master Plan.

PRATT and Salt Lake County are currently preparing designs and obtaining environmental approval to construct the next segment of Parley's Trail from Parley's Historic Nature Park to Sugarhouse Park.
